

Lisbon Street Art & Urban Creativity International Conference

LIS, 11/12/2013

Call for Papers

The **Lisbon Street Art & Urban Creativity International Conference** will unite the interests of anthropologists, art history, architects, urban planners, designers, artists, authors and institutions as well as a wide diversity of visual arts and cultural studies researchers.

If you would like to submit a paper, please e-mail to conference.urbancreativity@gmail.com, providing an abstract for a 20 minute presentation; in the subject line indicate for which session you are submitting an abstract:

- A. On the scale of the city
- B. On the user and groups
- C. On the actions and works
- D. On the side effects

Abstracts are to be of no more than 300 words, and to include your name, institutional affiliation (if any) and a short biographic note. All abstracts will be submitted to blind-peer review.

See the website: urbancreativity.org for more information regarding the conference and preparation of your abstract and full paper.

Deadline for submissions: 15th February 2014

Registration fees:

Super early bird (until 31 January) – students/ professors 40€ - general public 50€
